- Learn tips for keeping your Web site appealing to your visitors
- Receive helpful hints on keeping your content fresh
- Find the option that is right for maintaining your Web site

## About The Presenter

### **Brian Cendrowski, Trio Solutions Inc., VP, Web Services**

Brian brings more than eight years of experience in a variety of roles in the Web site/Internet industry, from the technical end to strategic and business development. Brian graduated from the College of Charleston in 1999 with a bachelor's degree in computer science and earned a master's degree in business administration from the Moore School of Business at the University of South Carolina in 2003. Prior to joining Trio Solutions, Brian was a senior business analyst at Computer Sciences Corporation in Blythewood, South Carolina where he was involved in the development, design and implementation of software products for the insurance industry.

### **About Trio Solutions Inc.**

## About the Nonprofit Nook

The Nonprofit Nook is an online resource of information, community and packages created especially for small to mid-size nonprofit organizations interested in event planning, marketing/PR and Web development services. The Nonprofit Nook Web site is available to any nonprofit organization at an affordable annual fee and Nonprofit Nook packages are for certain nonprofit organization that desire a brand identity package or Web site but have limited resources. The Nonprofit Nook packages offer these items at discounted prices without jeopardizing the quality of the service and material provided. In addition to its online tools, the Nonprofit Nook provides monthly workshops for local nonprofits.
