

The Nonprofit Nook, a division of Trio Solutions, presents monthly hands-on workshops for nonprofits!

This month's workshop: Going Once, Going Twice, Sold! How to Plan a Successful Live or Silent Auction

Wednesday, October 17, 2007 5:30 – 7 p.m.

Register today for this workshop and learn:

- How to set expectations for your auction planning team
- Tips for a successful set up and management
- How technology can help

About The Presenter

Jessica Kersey, Trio Solutions Inc., Director of Administration and Business Development

Jessica planned her first auction while studying at the University of North Carolina at Chapel Hill. Although she has not had the opportunity to work on a date auction with college athletes since then, she has spent the past three years at Trio Solutions perfecting the art of auction planning. From collecting donations to set up and management at the event, attendees will leave excited and ready to plan a successful and enjoyable auction.

About Trio Solutions Inc.

The creator behind the Nonprofit Nook, Trio Solutions Inc. is a full-service marketing and communications consulting firm with a philosophy to work hard, enjoy life and make a difference. Trio specializes in marketing and public relations, event planning and Web solutions that increase awareness and strengthen brands. About the Nonprofit Nook

The Nonprofit Nook is an online resource of information, community and packages created especially for small to mid-size nonprofit organizations interested in event planning, marketing/PR and Web development services. The Nonprofit Nook Web site is available to any nonprofit organization at an affordable annual fee and Nonprofit Nook packages are for certain nonprofit organization that desire a brand identity package or Web site but have limited resources. The Nonprofit Nook packages offer these items at discounted prices without jeopardizing the quality of the service and material provided. In addition to its online tools, the Nonprofit Nook provides monthly workshops for local nonprofits.
